

This example shows how a blockquote is rendered without any additional styling, with the default settings.

By default, Compart indents the text in blockquote.

Here is a quote from Compart's website:

The DocBridge platform as a flexible and secure solution offers all the features of a modern input and output document processing, in particular, bridges the gap between legacy systems and the ever increasing demands of a channel-oriented customer communications.

More than 1,500 customers with thousands of installations in over 50 countries rely on the long-standing and proven expertise of Compart.
